

Saturday 15th August 2020

After a year off we're back for our 14th year, and at a new venue! We hope to reach out and gather all that is great in live music, entertainment, crafts & skills. Combining great food, Craft Ales and Ciders to make up a Fayre and Funday, while raising money for local causes that will make a difference.

Last year we had a foot-fall of over 1100 people throughout the day!
